Killa, killa, killa, killa, killa, killa dog
It's killa dog, I'll kill you dog

Check it out, man

What means the world to you 'cause money mean the
world to me

I'm a shine for the world to see, pearl the V, twirl the
key

Cock back, kick back and twirl the weed

Ma, wanna roll wit a top gun, hot one, done pop one,
scrub not one

Wanna ride shotgun, wanna shoot shot guns and I got
hot one's

But I wanna chick that'll hop up on a stick wit a porno
flick

Make sure my comes go on a lick, more to sip but
screw that

Where my thugs with the hollow tips, girls that
acknowledge it

Polish it after that swallow it

Stand by baby, where you at? Raise ya hand high
You don't suck what that's a damn lie, got red rye
My man ride, my fame tide, so I need a real chick
Someone to keep it real wit, someone to rob and steal
wit

Someone to share my meal wit

It's that there look at you and be out for your revenue
Then even at you and she'll be blessin' you
Caressin' you, startin' that mess wit you
But you always good for now and plus no friends
around

So girl, just come lift up that dress for now
And give me some points for now, talk to me, ma

What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails

What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat

What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas

My cousin Tandelese see the girl type honorary
But the girlfriend was real real real fond of me
And the girl put her on to me and I'm like 'why'
I mean come through wit her, she drivin' that alumina
I'm not even thinkin' 'bout screwin' her, let alone
pursuing her

I got a girl she like, what that got to do wit her
Get through wit her, mess around my girl, come down
and put two in her
But I'm in a heavy case like the type that Pepsi make
Who says I fake, got pies like betty bake, top balla in
every state

In Chi, I'm Mike, Boston, I'm Kenny
In Miami, I'm Timmy and Phoenix, I'm Penny
Damn, in Harlem, I'm Sammy, order or so
What the hell you want, got sons guns, run run
Make them run run, skate take one
From young one's, dumb dumbs

Hit wit the dumb dumbs, hit wit the stun gun
Oh damn, young hon, where the girl come from
And I wanna meet her, can I greet her? Yo, we in my
bed for now
She said, " Oh no, my spine on respire now
Well, give me some points for now, talk to me, ma"

What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat

What means the world to you
Lots of cheese, shopping sprees

What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas

Ladies say, "Scream it out, speak it out
It's that time of the month for you leakin' out, say 'oww'
Shit, ya'll know, I'm down for the hoes, down for the
doe
Down for a little lay dick on the low, ya'll know

It's that kima chick that'll heat ya chick
Squeeze the click, go home and get freaked again
Ya'll know I like that sex wit the right cat
Rings make them iced stack

Yo, now hold up, mama
I want you to be no
I done laid them, J'd them
That's right, played them

I ain't one of them hoes
Why you come wit them hoes
When I come for the doe
Keep them under control

What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat

What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas

What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat

What means the world to you
