(Woo hoo)

And when the feens taste it

(Woo hoo)

You know the lace it and base it

Tell em to paste it, man they gettin' wasted

(Woo hoo)

Look at mami in them heals

(Woo hoo)

She know exactly how it feel like

(Woo hoo)

Baby, I love and discuss it, lets go public

Yeah, fuck up my budget, my accountant like

(Woo hoo)

Hey, you know how much you spent

(Woo hoo)

And then I hand her a check, she like

(Woo hoo)

Don't get offended but I get it

Much quicker than I spend it

Yeah, yeah, yeah

(Woo hoo)

Like when I get a new gun, I'm like

(Woo hoo)

And when I load it to the top I'm like

(Woo hoo)

Hope I don't have to use it, listen

I'm being candid
Don't take this money for granted

I can't explain this, baby
It's like me tryin' to explain why is water wet
Or why is the sun hot
Or why birds fly and people don't, well I do

First I step up like
(Woo hoo)
They like good god almighty, she be killin' em'

Stay the fuck up out my face

Watch me tell 'em like
(Woo hoo)
Hoping I don't crash, pray to god like
