I drink the blood  
From cup of death  
I sip the milk from tied up  
Angels holy breasts  
I fuck the whore and eat her flesh  
And when the daylight comes  
I sleep in Satan's nest

Pestilence Black Death  
Circles drawn in blood  
Read the holy writings backwards  
Burn the house of God

Sacrifice of human flesh  
Anal kiss of Hell  
Mother of Satanic child  
Cast your withces spells

Witchcraft

I run the night with white wolfs pack  
I ride the wind of Mayhem  
Down to Hell and back  
I masturbate on Golden throne  
And quench my thirst  
From sacred virgins fragile throats  
Pestilence Black Death  
Circles drawn in blood  
Read the holy writings backwards  
Burn the house of God

Sacrifice of human flesh  
Anal kiss of Hell  
Mother of Satanic child  
Cast your withces spells
