Girl the things that we do
They got them head all screwed
They don't like to see me with you
But u still gonna be my boo
They say that I'm no good for you
But they just mad cause I'm the one you choose
So make them... ?
This is why she put me first place

She luv me love
She luv me love
She luv me love (x2)
She never trip
She never put nothin above
She luv me love
She love me love
She luv me love (x2)
She love me touch
She love me kisses and my hugs
She never trip
She never put nothin above
She luv me love
She love me love
She luv me sweet sweet love

...
So nobody try t' tell my baby lies
No mata what you do she not gon leave my side...
Causehe my best friend
She rate a ten out of ten

She luv me love
She luv me love
She luv me love (x2)
She never trip
She never put nothin above
She luv me love
She love me love
She luv me love (x2)
She love me touch
She love me kisses and my hugs
She never trip

She never put nothin above
She luv me love

She luv me sweet sweet love

No matta what they say
I'm always gonna be around
Even when they fill your heart with doubt
Never gonna leave u out
Cause I got your back
Any time you need someone to represent just call for

I'll be there in a hurry
100 percent you need notta worry

She love me kisses and my hugs
She never trip
She never put nothin above
She luv me love
She love me love
