Stop trying to conform me  
Stop trying to make me change  
Don't tell me that you understand, how I feel

Don't try to make me like you  
Like everybody else  
Let me tell you what the truth is  
I don't wanna be anyone else

I will not change into who you want me to be  
I am staying who I am because that is who I want to be

I wanna be my own person  
The person God made me to be  
I wanna live my own life  
The life that was planned for me

I love to be different, I love to be unique  
I stand up for what I believe in  
So stop trying to make me cheat

I wanna be, I wanna be, I wanna be  
I wanna be, I wanna be, I wanna be
