Turn away
I'm not ready, to love again
I've been broken
Run away
Still in misery
I cannot be healed that easily

Spirit free
I'm on my own, and I'm stronger now
Though I'm not sure how
Being me
Nothing better, than the way I do
There's no place for you

Open my eyes
Help me visualize what could be
I wonder will it make me happy
Make me realize
That this is a risk worth taking
And not a mistake we're making now

Can you try
To release me, and stop this chase
Please give me some space
Give me time
To make things clear, in this head of mine
Trust me I'll be fine

My heart has been bleeding
Long broken, still mending
Now, it's yours for the taking
Come save me from myself
