Don't think about my pants!  
It's too narrow for your understanding!  
Did you never see t-shirt size 44?  
Or why your crazy eyes are banding?

Cows! Like you! Dance! I like it!  
Cows! Like you! Dance! I like it!

Come on! Come on! Let me see your stupid face!  
Come on! Come on! Look at my delightful grace!  
Come on! Come on! I must say to you the truth!  
Oh-oh, Oh-no! Cow's IQ above than yours!

Cows! Like you! Dance! I like it!  
Cows! Like you! Dance! I like it!

You call your loser-friends  
And you laughing when I come to dance!  
Do you envy 44- I'm not fat as you?  
Silly views give out your IQ!

Come on! Come on! Let me see your stupid face!  
Come on! Come on! Look at my delightful grace!  
Come on! Come on! I must say to you the truth!  
Oh-oh, Oh-no! Cow's IQ above than yours!

Come on! Come on! Let me see your stupid face!  
Come on! Come on! Look at my delightful grace!  
Come on! Come on! I must say to you the truth!  
Oh-oh, Oh-no! Cow's IQ above than yours!
