Stepping outside,  
There's no turning back.  
Looking behind,  
There's no turning back.  
Nowhere to hide -  
Watch out for the man in drag;  
She's got you tagged!  
Checking all around,  
There's no turning back.  
Listen for a sound,  
There's no turning back.  
Keep your head down -  
Watch out for the go-between!  
The Cloak and Dagger Man  
Follows -  
Run undercover and  
Trust in no one you know.  
Watch what you say,  
There's no turning back.  
Lover's will betray!  
Watch out for the promise of...  
(repeat chorus)  
Paul Burgess: Drums  
David Paton: Bass  
Ton Scherpenzeel: Prophet, Juno 60  
Andy Latimer: 12-String and Electric Guitar
