Smiles for You Lady Fantasy (12:46 total)
(Bardens, Ferguson, Latimer, Ward)
Listen very carefully, my words are about to
unfold
Concerning a lady I've seen but I never could
hold
I can see by your smile,
Take a long while,
The words that come through,
I see that they're true,
For she reminds me of you.
Don't misunderstand me, it's not always easy
to say
The words in your head and your heart that you
just can't explain
I can see clearly,
A face in the sky,
Moon's in your eye,
You're passing me by.
Tell me the reason why.
I can see clearly,
A face in the sky,
Moon's in your eye,
You're passing me by.
Saw you riding on a moon cloud,
Saw you walking on a whirlpool,
From the corner of my eye,
I saw you.
Saw you sitting on a sunbeam,
In the middle of my daydream,
Oh my Lady Fantasy,
I love you.
