Can't you see?

All of the things that I'm trying to say

Are inside of me

I never thought I'd be feeling this way

But I think you've known all the time

Your love is stranger than mine

Seeing you

I can't believe in a love that won't leave

I don't want you to

Be anyone that you don't wanna be

But I think you've known all the time

Your love is stranger than mine

If you are the one

To make it, to break it

If you are the one

Won't you stay with me?

One more time

Getting a feeling afraid that I might be

Out of line

Telling myself there's a chance that you

Could be someone I've known all the time

Your love is stranger than mine
