It's like candy
I can feel it when you walk
you're so dandy
even when you talk it takes over me
can you feel it too just like I do
I wanna know
(hoo!)
this stuff is starting now
there's no mistaking; I'm clearly taken
it's the same feeling
I always seem to get around you
by the simple mere thought of you
(oh!)
this stuff is starting now
this stuff is starting now
this stuff is starting now
(hoo!)
my eyes roll in my head
I toss and turn in my bed
in the morning when I think about you
simply put, you're the reason why
(yes I do)
(real shy)
even though I'm real shy
I attempt to look my best for you
cause you affect me, fascinate me
(indeed I do, just for you)
I thank heaven for the things that you do
it's like candy
you sure are sweet
you're taking my appetite - but it's all right
you're so dandy
it's like candy
(ooh, vanilla! chocolate!)
you look real nice, wrapped up tight
you're so dandy
it's like candy, you're so dandy...
you're giving me a heart attack
it's the kind I like
you're like a brand new feeling
in a special way

on a bright clear sunny day
a surprise package
strawberry! raspberry!
violets and gumdrops
all those good thangs!
that's what you're saying to me
(ad lib, etc (ow!))
