If you're confused
(music starts)

I would find a way
I'll be
Here to fill your need(yeaaahh)

Bridge 1:
'Cause you ('Cause you)
Put me in a trance (In a trance)
Of romance (Girl, can I make love to you?)
Oh you, you, you
I need your tender love
Take me in your arms for meantime
Don't ever let go, not tonight

Hook:
Take me
Hold me
Teach me
Mold me (Mold me with your love)

Take me (Take me, girl)
Hold me (Hold me) (Oh yeah!)
Teach me (Teach me)
Mold me

Bridge 2:
Though I've never found a girl (Never found a girl)
In this world (That even comes to what you give me)
Oh you, you, you
You are my shining star (You are my shining star!)

We always belong together
(And I'll never) And I'll never go, no, never
(Just take me) Take me in your arms for meantime
(And hold me tight) Don't ever let go, not tonight

Take me
Hold me (Ooooh yeah)

Teach me
Mold me (Mold me with your love)

Feel me
Move me (Would you feel me?!) (Oh yeah!)
Groove me (Oh, yeah, yeah, yeah)
Do me (Do me with your love)
