For You

Through my phasing times  
There was a face to seperate  
The heavens from the other place(and)  
The feelings all inside, can't express the  
Joy you bring so this my love is why  
I sing for you, for you,  
I sing this song for you (I sing this song, ah ah), for you  
For You ooooo

With all they we've been through  
No one can say that we have changed  
The love we had it still remains (and)  
With that you filled my life  
(A kiss from me is not enough, ah ah)  
A kiss from me is not enough to show you that I'm living  
just  
For you, it's true  
I'm living just for you (I'm living just, ah ah), for you  
For You ooo

You're the meaning in my life  
(For You) For you (All things I would do) I would do  
In all the many ways to show my love for you  
This is one I thought I'd do (This is one I'd do, ah) Yeah  
hey

(I'd sing this song for you and me) For you (I'd sing this  
song for you)  
I'd sing this song for you baby  
(I'd sing this song for you and me, I'd sing this song for  
you)  
For You ooo, For you ooo!
