Ooh, ooh, ah, ah  
Ooh, ooh, yeah  
Ooh, ooh, ah, ah  
Ooh, ooh, yeah

I always like to strut my thang  
Shakin' my pants to the rhythm , swing, I'm hot, ow  
Do you wanna dance  
Uh, you know that I'm the one who satisfies you  
You know that I just can't be without you  
I wouldn't even get down, we always turn the place out  
So shake your pants, and we can feel that thing, ho

Feel with me, touch with me  
Let them see, yes siree

Ah, ah  
Ooh, ooh, yeah

I'd like it tonight  
'Cause that's when my body feels just right  
Don't stop me, no, no  
Just watch me and I'll show you how

Be a freak, feel the groove  
And we can move all night  
['Cause that's when my body feels just right]  
Work your body with my body  
And we'll sex away till the time is right, yeah  
[Just watch me and I'll show you how]

Go with the flow and I'll let you know  
Just how to move  
['Cause that's when my body feels just right]  
Shake your pants, shake your pants  
And let the vibes come through  
[Just watch me and I'll show you how]

Shake your pants  
I like the way we dance  
Shake your pants

Shake, shake, shake, shake, shake

Ooh, ooh, ah, ah  
Ooh, ooh, yeah  
Ooh, ooh, ah, ah  
Ooh, ooh, yeah

Sasson, Jordache, even Gloria Vanderbilt  
When I shake my pants you know I'm dressed to kill  
I came here to dance and I don't no around  
So take your chances out here if you will

Feel with me, touch with me  
Let them see, yeah, yeah (Ooh)

Ah, ah  
Ooh, ooh, yeah

I'd like it tonight  
'Cause that's when my body feels just right  
Don't stop me, no, no  
Just watch me and I'll show you how

Be a freak, feel the groove  
And we can move all night  
['Cause that's when my body feels just right]  
Work your body with my body  
And we'll sex away till the time is right, yeah  
[Just watch me and I'll show you how]

Go with the flow and I'll let you know  
Just how to move  
['Cause that's when my body feels just right]  
Shake your pants, shake your pants  
And let the vibes come through  
[Just watch me and I'll show you how]

Feel it  
Oh, feel it  
Can't you feel the groove  
Make your body move

Uh, you know that I (I)  
I (I)  
Uh, you know that I (I)  
I (I, oh...oh...oh...I...I...hey, well)

Shake your pants  
I like the way we dance  
Shake your pants  
For action and romance

Shake your pants  
Shake, shake, shake, shake, shake

Ooh, ooh, ah, ah  
Ooh, ooh, yeah  
Ooh, ooh, ah, ah  
Ooh, ooh, yeah

Ooh, ooh, ah, ah  
Ooh, ooh, yeah  
Ooh, ooh, ah, ah
