Oohhoo

When I first saw you
Like the stars at night
You had sparkle in your eye
High in the sky

How I wish
That you were mine
'Cause to me

You're one of a kind
When I look at you
Can make me feel the way you do
It seems so untrue
How someone like you

Sparkle in your eye (I see that sparkle in your eye)
Sparkle in your eye (Ohohohwhoaha)
Sparkle in your eye (I)

You're so fine
For all the world to see
(You're so beautiful, yeah, yeah)
I find you hard to believe, you see
Oohhoo
You make me want to love you (Yeah, yeah)

When I look at you (When I look at you)
It seems so untrue

How someone just like you
Your eye
Sparkle in your eye (When I look at you I see)
Sparkle in your eye (Heyheyheyyeah)

Ha

Yeah, yeah, yeah
Yeah, yeah, yeah, ah, ha (Ah, ha)
Yeah, yeah, yeah

Yeah, yeah, yeah, ah, ha
Yeah, yeah, yeah, ah, ha (Ah, ha)

Yeah, yeah, yeah (Sparkle, sparkle)

(Baby, baby) Sparkle in your eye (Baby, baby)
Sparkle in your eye (Ow, ow, baby)
Sparkle in your eye (Oh, oh, oh, oh, oh, oh)
Yeah, yeah

Sparkle
Yeah, yeah

Sparkle in your eye (In your eye)
Sparkle in your eye (Oh, oh, oh)

Yeah, yeah Sparkle in your eye (Sparkle, sparkle, baby)
