As the city asleep  
Shares its dreams and desires  
Every wish that we keep  
Will trace a line to other times, other places  
Though the song of the proud  
Howls and dies, never fall for defeat  
Take a trip to reprieve  
Every hour they leave  
>From Killermont Street  
Drink a drink to before  
And our memories spill  
Adding on as they pour  
>From our Saturdays and secret sensations  
Drink a drink to tonight  
Whisky words tumble down in the street  
With the pain that they cure  
Sentimentally yours  
>From Killermont Street  
And with collar upturned  
I made it south to see  
That the love I had spurned

Was just the hate in me  
As the ships and the steel  
Slip away to the cry of 'compete'  
There's a message for us  
We can get there by bus  
>From Killermont Street
