Here we go
Fight to be the best
You deserve nothing less
Fight for every inch
Before it turns into regret

Someone start a fire
I see you burning
Like a hole in the sky
Someone start a fire
Let the light in
We are alive

Here we go
Time for dirty hands
You were made for this
Time to make amends
Before it turns into regret

Someone start a fire
I see you burning
Like a hole in the sky
Someone start a fire
Let the light in
We are alive
Alive
Alive

We will not back down
We will not back down

Someone start a fire
I see you burning
Like a hole in the sky
Someone start a fire
Let the light in
We are alive

We will not back down
We don't back down
We will not back down
