Ladies... And Gents...

I would like to introduce to you...

The Anthem

Chocoate, and Strawberry, That Vanilla and Cocoa (x4)

I see you over there  
Standing with your girls  
Tell me why you came tonight

You got your fresh fit  
Got your hair and nails did  
Tell me why'd you even waiste your time  
(If you gon')

Stand there and  
Look cute  
Give me, give me  
Attitude while I'm wtching you

I know it's kind of crazy  
But I'm still feeling you  
Now show me what you came to do

You know what I like to see  
When you get on the floor for me  
Drop down as if your sexin' me  
I love when your move body

Been watching you for the past 3 songs  
Holding up that wall all night long  
If you move I swear it wont fall  
Everybody make your way to the floor

Whoa, here comes the ice cream truck  
Whoa, here comes the ice cream truck  
Whoa, here comes the ice cream truck  
Whoa, here comes the ice cream truck

(You better)

Run to the floor like it's an ice cream truck  
Run to the floor like it's an ice cream truck  
Run to the floor like it's an ice cream truck  
Run to the floor like it's an ice cream truck

Your head starts bobbing  
But your mouth aint moving  
But your body's talking loud and clear

If you aint gon' dance  
And you aint gon'  
You can get the hell up out of here

(If you gon')

Stand there and  
Look cute  
Give me, give me  
Attitude while I'm wtching you

I'm looking at your frame  
And I wanna see you  
Put that body to use

You know what I like to see  
When you get on the floor for me  
Drop down as if your sexin' me  
I love when your move body

Been watching you for the past 3 songs  
Holding up that wall all night long  
If you move I swear it wont fall  
Everybody make your way to the floor
