Set me free yeah yeah yeah...  
My baby  
Well everyday is just the same  
The same games we play from day to day  
Will we find another way  
'Cause nothing's changed No love remains  
Because I try to see  
But all your lies confine all we used to be  
And now there's nothing  
I know I tried my best  
When here the only thing to do is just

Set me free why don't you, babe  
Get out my life why don't you, babe  
Cause you don't really love me  
You just keep me hangin on

Yeah everyday I wanna run away  
Cause I can't hide the pain that slowly flows through my  
veins  
Too many times we've apologized  
Cause it's too hard to try to make it right  
And all I do  
Is hold on to  
Memories of you and me  
There never was reality (ooh)  
Now that there's nothing left  
Why should I try my best  
When the only thing to do is just

Set me free why don't you, babe  
Get out my life why don't you, babe  
Cause you don't really love me  
You just keep me hangin on

Don't try  
Try to pretend that it's alright  
When you know it isn't  
Well then let go  
Get out my life  
Cause you keep me hangin on

Don't say  
Or try to tell me that it's okay  
I'm looking straight ahead for better days  
Where you can't keep me hangin on

Set me free why don't you, babe  
Get out my life why don't you, babe  
Cause you don't really love me  
You just keep me hangin on 3x (till fade)
