"U Got My Love"

Buenos dias te levanto con esta cancion
mi vida ya no es la misma desde tu aparicion
t digo mama cuales son tus planes
para maÃ±ana
y dices cama kuando tu serÃ¡s
el dueÃ±o d mi alma
acuerdat q apenas es q t conoci
ayer q iba caminando
por la calle t vi
no t lo niego me gustast
algo x dentro kausast
remember babe u were born to be my lady
remember babe u were born to be my lady
remember babe u were born to be my lady
u drive me crazy
everytime u get more sexy

[Coro:]

baby, I want you
I can neva leave before
oh mama
oh lady, I tell u
I let u got my love
oh mama
oh baby, I want u
I can neva leave before
oh mama
oh lady, I tell u
I let u got my love

buenas tardes mamacita

ahora tu cuerpo necesita
un poco mas d mi kalor
d mi sudor
d mi sabor
y d todas las karicias q t puedo dar yo
see see see
I feel u right
I feel u tonight

I want u to know that
4 u I will fight yo
I feel u right
I feel u tonight
remember babe u were born to be my lady
remember babe u were born to be my lady
remember babe u were born to be my lady
u drive me crazy
everytime u get more sexy

[Coro:]

baby, I want u
I can neva leave before
oh mama
oh lady, I tell u
I let u got my love
oh mama
oh baby, I want u
I can neva leave before
oh mama
oh lady, I tell u
I let u got my love

I let u got my love
I let u got my love

remember babe u were born to be my lady

I can neva leave before
