See the thing about you that caught my eye
is the same thing that makes me change my mind
kinda hard to explain but girl i'll try
you need to sit down this may take a while
see this girl she sorta looks just like you
she even smiles just the way you do,
so innocent she seemed but I was fooled
I am reminded when I look at you

CHORUS:

Cos, you remind me of a girl
that I once knew
see her face whenever I , I look at you
couldnt believe all of the things she put me through
this is why i just cant get with you

Thought that she was the one for me
til i found out she was on her creep
oh she, was sexing everyone but me
this is why we could never be

CHORUS:

Cos, you remind me of a girl
that I once knew
see her face whenever I , I look at you
couldnt believe all of the things she put me through
this is why i just cant get with you

You remind me of a girl that i once knew
see her face whenever i, i look at you
Couldnt believe all of the things she put me through
this is why i just cant get with you

I know it is so unfair to you
it is so unfair
That i relayed her ignorance to you
(ohhh ahhh)
wish I knew
I wish I knew how to seperate the two
you remind me

(oooh ooh ooooh oooh oooh ooooohhh)

(repeat chorus x 5 and fade out)
