Well It could all be so simple  
But you'd rather make it hard  
I said loving you is like a battle  
And we both end up with scars  
Tell me, who I have to be  
To get some reciprocity  
Yah see, no one loves you more than me  
I said no one ever will

No matter how I think we grow  
You always seem to let me know  
That it ain't workin'  
Isaid it ain't workin'  
And when I try to walk away  
You hurt yourself to make me stay  
This is crazy  
I said this is crazy

Well I keep letting you back in  
How can I explain myself  
As painful as this thing has been  
I said I just can't be with no one else  
See I know what...  
What we've got to do  
You let go and I'll let go too yeah  
You see no one's hurt me more than you  
I said no one ever will

No matter how I think we grow  
You always seem to let me know  
That it ain't workin'  
Isaid it ain't workin'  
And when I try to walk away  
You hurt yourself to make me stay  
This is crazy  
I said this is crazy

Care for me, care for me (care)  
You said you care for me  
There for me there for me (there)  
Said you'd be there for me  
Cry for me cry for me (cry)

You said you'd die for me  
Give to me give to me (give)  
Why won't you live for me.

Care for me, care for me (care)  
You said you care for me  
There for me there for me (there)  
Said you'd be there for me  
Cry for me cry for me (cry)  
You said you'd die for me  
Give to me give to me (give)  
Why won't you live for me.

Care for me, care for me (care)  
You said you care for me  
There for me there for me (there)  
Said you'd be there for me  
Give to me give to me (cry)  
Why don't you live for me.  
Cry for me cry for me (give)  
You said you'd die for me  
Oh yeah...  
Where were you, when I needed you?
