Here we go now...

You said you love me;
(yes I did)
I said I love you.
So, Why won't you stop your cryin'?
Dry your weeping eyes.
(oh baby)
You know that I love you yeah
(alright)

oooh baby, I said here I am,
Come rub it on my belly
Like its guava jelly, (I say rub it on my belly)
Time's wastin,
Here I stand
Come and rub it on my belly
Like its guava jelly
(guava jelly)

Verse 2
You said you love me;
(yes I really did now)
I said I love you, yeah.
So, Why won't you stop your cryin'?
Dry your weeping eyes.
Anyhow, I'm gonna love you, yeah

oooh baby, I said here I am,
Come rub it on my belly
(rub it on my belly)
Like its guava jelly,
Time's wastin,
Here I stand
Come and rub it on my belly
Like its guava jelly
