Land of the morning,
Child of the sun returning,
With fervor burning,
Thee do our souls adore.
Land dear and holy,
Cradle of noble heroes,
Ne'er shall invaders
Trample thy sacred shore.
Ever within thy skies and through thy clouds
And o'er thy hills and sea,
Do we behold the radiance, feel and throb,
Of glorious liberty.
Thy banner, dear to all our hearts,
It's sun and stars alight,
O never shall it's shining field
Be dimmed by tyrant's might!
Beautiful land of love,
O land of light,
In thine embrace 'tis rapture to lie,
But it is glory ever, when thou art wronged,
For us, thy sons to suffer and die.
