I caught you smiling
with pointed teeth
what once was beautiful
has turned bitter and cheap
So now there's nothing I can do for you
but leave your roses out to die

I misbehaved
I'm in your way
in your way like an elephant

Gentle smiling
with pointed teeth
now there's a war between

my high hopes and me
So this is how you put an end to things
by cutting throats with a smile

I misbehaved
I'm in your way
in your way like an elephant

But in the corner of my mind
a little angel saying
"Don't waste your love,
you love too much"
