[Chiba:]

Tell me where you get it  
We get it from the Ganja Lounge  
Tell me where you got it from  
We got it from the Ganja Lounge

G, A, N, J, A

G, A, N, J, A

Tell me where you get it  
We get it from the Ganja Lounge  
Tell me where you got it from  
We got it from the Ganja Lounge

G, A, N, J, A

G, A, N, J, A

[Suede:]

You're invited to the Ganja Lounge  
Just bring your bamboo  
The Jamaican Coconut rum got my body going through  
Different emotions  
Watching the ocean turn into course blue  
Blinking the screen, pelicans, palm trees  
Paint the scene  
No clothes and bungalows  
G-strings, kaleidoscopes  
That's how a hunger low  
I'm leaving a heavy load  
At the Ganja Lounge  
Where they be burning on pounds  
Where your women bring your lemon  
Corona another sound

[Chiba:]

M' nah like niggaz

M' nah like chumps

M' nah like pussies  
M' nah like bums  
But what I like is stolen nya  
Mya on my Thai stick  
Heat brush hot desire  
Lipstick on my Regazels  
Like that backroom of the Ganja Lounge  
Foreign ?erbs in the air  
Screaming words in the air  
My third triple-x scene  
With Chanel no. 19  
Gave her fancy footwork  
Had her put me on to llene  
(Ganja...)

[Suede:]  
When you fawn to your ganja  
Your lover, her lover  
Daytime we sailing  
Nighttime we hover  
Then rock... the boat  
And take me to that place I love  
And stop...and go  
And then we puff another  
Dump a cloud up my vision  
Then a lounge where we living  
Where the bezels is better  
Whenever we fly with no pigeons  
And white sand walkways  
Diamond crystal hallways  
Titties, ya, always  
Pussy, haze, and dark shades

[Chiba:]  
The Lo Wranglers  
Of course we mix and matching  
With Apache Strangers  
Figured they Virgin Islands  
Till they walls Niagara Falls  
Martini rasi body waters  
Hate was for the war  
Fornicated with Nazi bitches  
Liquorated chocolate  
Braun Rico's Rum  
An arm full of Zambuca  
Ganja Lounge, Mega Lounge  
Chicks having cocktails  
Lo-a wearing Crown Royal  
Sam Tory Royal Whiskey  
Real tings in Ganja Lounge
