Rock hard or go home
Rock hard or go home
Time to choose if you're gonna win or lose
Better rock hard or go home

Rock hard or go home
Rock hard or go home
Time to choose if you're gonna win or lose
Better rock hard or go home

The road to victory is always rough
Gotta keep going when going gets tough
Watch out now cuz we came to play
Get out of our face, now get out of our way
More pumped up n we've ever been
Never give up, no we never give in

Rock hard or go home
Rock hard or go home
Time to choose if you're gonna win or lose
Better rock hard or go home

We feel the rush and we fell the pain
Nothing's gonna stop us like a runaway train
We'll never break, no we'll never bend
Gonna keep fighting until the end
More pumped up n we've ever been
Never give up, no we never give in

Rock hard or go home
Rock hard or go home
Time to choose if you're gonna win or lose
Better rock hard or go home

Blood, sweat and tears, you face down all your fears
You give it all you got, then you give it one more shot
Feel the sweat dripping down your face
This is your time to take your place

Rock hard or go home
Rock hard or go home

Time to choose if you're gonna win or lose
Better rock hard or go home

Rock hard or go home
Rock hard or go home
Time to choose if you're gonna win or lose
Better rock hard or go home
