It's like
He dosen't hear a word i say
His mind is somewhere far away
And i don't know how to get there

It's like
He only wants to chill out
Makes my wanna pull my hair out
Like he dosen't even care

You,Me
We're face to face
But we don't see eye to eye

Like Fire and ice!

Like Fire & Rain.

You can drive me insane.

Can drive me insane.

But I can stay mad at you for anything.

We're Venus and Mars

We're Venus and Mars

We're like different stars.

We're different stars.

But you're the harmony to every song I sing, and I
wouldn't change a thing.

So start a new day
Just wanna let the music play
She's all or nothing
But my feelings never change

Why, you try to read my mind

You try to pick a fight
That's what all my friends say

You, Me
We're face to face
But we don't see eye to eye

Like Fire and Rain!

Fire & Rain

You can drive me insane.

Drive me insane.

But I can stay mad at you for anything.

We're Venus and Mars

Venus and Mars

Were like different stars.

Different stars.

But you're the harmony to every song I sing, and I
wouldn't change a thing

When i yes she's no
When i hold on he just lets go

We're perfectly imperfect
But I wouldn't change a thing, no

Like Fire and Rain!

Like Fire & Rain

You can drive me insane.

Drive me insane.

But I can stay mad at you for anything.

We're Venus and Mars

we're Venus and Mars

We're like different stars.

Like different stars.

You're the harmony to every song I sing, and I wouldn't
change a thing

But i can't stay mad for anything

Were Venus and Mars

Venus and Mars

Were like different stars.

Different stars.

Your the harmony to every song I sing, and I wouldn't
change a, I wouldn't change a thing
