They tell you a good girl is quiet and that you should
never ask why
'Cause it only makes it harder to fit in
You should be happy, excited even if you're just invited
'Cause the winners need someone to clap for them
It's so hard just waiting in a line that never moves
It's time you started making your own rules
You gotta scream until there's nothin' left with your last
breath
So here I am, here I am, make 'em listen
'Cause there is no way you'll be ignored not anymore
So here I am, here I am, here I am, here I am
You only get one life to work it so who cares if it's not
perfect
Say it's close enough to perfect for me
Why should you hide from the thunder and the
lightning that you're under
'Cause there ain't nobody else you wanna be
If how your living isn't working there's one thing that
will help
You gotta finally just stop searchin' to find yourself
You gotta scream until there's nothin' left with your last
breath
So here I am, here I am, make 'em listen
'Cause there is no way you'll be ignored not anymore
So here I am, here I am, here I am
The world better make some room, yeah, move over,
over
'Cause you're coming through, 'cause you're coming
through
You gotta scream until there's nothin' left with your last
breath
Here I am, here I am, make 'em listen
'Cause there is no way you'll be ignored not anymore
So here I am, here I am, here I am, here I am, here I am
