Yeah, first off hit the groove, let the music play
Next stop everybody, it's time to celebrate
Baby go so let's go show, make the dreams you got
become real
Let's do this, let me hear you, now show me how you
feel
Let's start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?
Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stop
Stand up and do the dance, the way you do
I-I can see all the crowd on the dance floor with this
groove
Baby go so let's go show, like you never ever did
before
Let's do this, let me hear you say more, more, more
Let's start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?
Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stop
Let the music take us
Every time, just close our eyes
Feel the groove, wanna shake us
Everywhere, and everybody, turn it up and start the
party
We got it rolling, never slowing down
Lights, camera, action, start the party now
I know you're ready there's no need to wait
Now's the time for us to celebrate
Start, start the party
(Let's do it)
Start, start the party
(Everybody now)

Start, start the party
(Let's get to it)
Start, start the party
Start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?
Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna stop
Let's start, start, start the party
Come on, come on everyone
Let's start, start, start the party
What you waiting for now?
Start, start, start the party
Come on, come on, live it up
Let's start, start, start the party
I know you never gonna wanna
Come now let me hear you holler
Promise you're not ever gonna stop
