So let's sing
Na
Na na na na
Heya
Come on let's sing
Na
Na na na na
Heya

This is our song
That's all that matters
'Cause we all belong
Right here together
There's nothing better
Than singing along
This is our summer
This is our song

Come grab your guitar
Sit by the fire
'Cause we all need a song
When the we retire
We'll sit here
Together
And sing it out loud (And sing it out loud)

This is our song
That's all that matters
'Cause we all belong
Right here together
There's nothing better
Than singing along
This is our summer
And this is our song
This is our song
This is our song
This is our song

Come on let's sing
Na
Na na na na
Heya

Come on let's sing
