Calloused and bruised
Dazed and confused
My spirit is left wanting something more.

My selfish hopes
My selfish dreams
I'm lying with my face down on the floor,
Crying out for more
Crying out for more

Give me words to speak
Don't let my spirit sleep
Cause I can't think of anything worth saying.
But I know that I owe You my life.
Give me words to speak,
Don't let my spirit sleep...

Every night, every day
I find that I am nothing I can say.
So I stand here in silence
Waiting for guidance
I'm wanting only Your voice to be heard
Let 'em be Your words
Let 'em be Your words

Give me words to speak,
Don't let my spirit sleep.
Cause I can't think of anything worth saying.
But I know that I owe You my life.
Give me words to speak,
Don't let my spirit sleep...

I just don't understand
This life that I've been living
I just don't understand
Just Don't understand..
I just don't understand
These lies I've been believing
I just don't understand
Just don't understand..

So give me words to speak

Don't let my spirit sleep
Cause I can't think of anything worth saying.
But I know that I owe You my life.
Give me words to speak,
Don't let my spirit sleep.
I know I know I know I owe You my life...my life.
