Our God is the God of gods
And our Lord is the Lord of kings
The revealer of secrets of mysteries unknown
Let the people praise our God
Let the people praise our God

His sovereign rule will last forever
His Kingdom won't decline or fall
He does as He pleases both in Heaven and Earth
Who am I that I should question Him at all?

Our God is the God of gods
And our Lord is the Lord of kings
The revealer of secrets of mysteries unknown
Let the people praise our God
Let the people praise our God

He lifts up kings and brings them low again
He shows us what is right from wrong
God of all time we give You thanks and praise
For You have made us wise and You have made us
strong

Our God is the God of gods
And our Lord is the Lord of kings
The revealer of secrets of mysteries unknown
Let the people praise our God
Let the people praise our God

Everything He does is right and all His ways are just
Those who walk in pride He is able to humble
Everything He does is right and all His ways are just
Those who walk in pride He is able to humble

Our God is the God of gods
And our Lord is the Lord of kings
The revealer of secrets of mysteries unknown
Let the people praise our God

Our God is the God of gods
And our Lord is the Lord of kings
The revealer of secrets of mysteries unknown

Let the people praise our God
Let the people praise our God

Let the people praise our God
