We are more than conquerors
We don't have to be afraid
Nothing is as powerful as His love
Oh the way He gave His Son
To give life to everyone
Not a thing can separate us from His love

It's the life and the hope that He brings
His forgiveness that leads us to sing

We are free to love
Like our God has loved
We are free to give like He gave
We are free from sin
We are free to begin to forgive, as He forgave
We are free

We are living evidence
He restores our innocence
Jesus stands in our defense
All for love

It's the grace and the peace that He brings
His forgiveness that leads us to sing

We are free to love
Like our God has loved
We are free to give like He gave
We are free from sin
We are free to begin to forgive, as He forgave
We are free
We are free

Nothing can separate us
Nothing can separate us, Lord
Nothing can ever take us from You
Nothing can separate us
Nothing can separate us, Lord
Nothing can ever take us from You, from You

We are free to love
Like our God has loved

We are free to give like He gave
We are free from sin
We are free to begin to forgive, as He forgave
We are free
We are free
