Finally free from the chains of the ages  
The terror of ancient times  
Disregard the divine sentence  
Will of Valar disobeyed

Silent caverns, great kingdom of stone  
Long ago, fulfilled with life  
So many ages for the honoured Mahal  
Now defiled by Morgoth's tribe

Shadowed flames shall breath again  
The fire of vengeance, the death infernal

Too greedy and weak, too deep they are heading  
Aule's people the folk of the stone  
Reaching something, the forgotten keep  
Chamber of the cursed demon  
Call of Mithil charmed their hammers  
The vain of silver turned red by blood  
The hidden prison beneath the earth  
Their doom, Great Balrog released  
Dwarven warhearts fought with their fury  
Against this creature of hate  
Two dead kings and thousands of men  
Slain by the fiery blade

Soon it's over, alle the dwarfs defeated  
The silence of the carverns stand still  
Orcs took the command of the caves and depths  
The darklord has reached his will

Centuries went by and Sauron made a mistake  
He murder of Thor, dwarven king  
The revenge they swear, there's no other way  
Let the storms of war rise again  
The demon rages in the dungeons of Moria  
Sill a few went back to those caves  
They didn't survive, orcs breed again  
Hiding from the light of the day

All was silent under the stone  
Until he heroes arrived

Demon was slain by the wizard of grey  
Mithrandir one of the Maiar

The last battle was fought  
There were kingdoms no more  
No heirs to demand their throne  
One great halls by the children of Aule  
Still standing and never shall fall
