I heard the voice
Didn't see behind the words
I saw the faces
Loved ones, unknown to me
I was asleep
And I never really woke
I had a dream
Made for me, already dreamed

All the days faded away
Carried by the endless eclipse
Black light of those enchanting eyes
Made me forget, walk astray

Kadottaen toivonsa
Tuhottuna tahtonsa
Murtuneena rankona
Astuu alas hautaansa

I tasted the wine
But I didn't taste the life
Then when I felt the warmth
I was frozen inside
I closed my eyes
To run away, to stop the pain
But in my mind
I was enchanted again

All the days faded away
Carried by the endless eclipse
Black light of those enchanting eyes
Made me forget, walk astray

Blood of mine
Not sacred anymore
Enchanted tie
The line of life in disgrace

Silm?in kutsu kadotuksen
Valtoihinsa saanut mielen
Mukanansa h?net vieden

Sielunsa imien
K??rme hisen silm?t katssu
Nujertaa h?net tahtoo
Alas kutsuu pimeyteen
Ikuiseen unehen
