Moves of the deep  
Senses of the beast  
Ancient people among the trees  
Soil of their land  
The way of the wind  
Throne and the walls for the Woses  
Be gone Orc-folk  
Ruin Gorgâfâfâ,â»n  
Be gone Troll-folk  
Ruin Gorgâfâfâ,â»n  
Gold from the sun  
The wealth of the clan  
Riches for soul of everyone  
Rivers and lakes  
The silvering moon  
Kingdom of pearls their woods  
Drain the hope from the souls  
Of Orcish hordes when they are dead  
Drain the life from their own earth  
From the stars, from every birth  
Druadan chieftain  
Ghâfâfâ,âçn-buri-Ghâfâfâ,âçn  
Wise from his mind  
Pure from his heart  
Druadan chieftain  
Ghâfâfâ,âçn of the woods  
Fighting the wolves  
Fighting the Gorgâfâfâ,â»n  
Mother earth  
Caring for her child  
Forest folk  
Her untamed kind
