Silent invisible conversation
Correction, the cold hangar should be upside down
Oh, little star
Froggie and Toadie carried off the tangerine seats one
by one
And came back for the popcorn after dinner
Froggie said I saw you soaking in a tub of water
released behind the scene
Sometimes I ask around, moon over the bay

Froggie and Toadie
Carried off the tangerine seats one by one
And came back for the popcorn after dinner
Asking Will you have some?
Oh, correction
The cold hangar should be upside down
Ooh, oh, little star of Bethlehem
Silent invisible conversation
I meet you at the railroad station
Silent invisible conversation
Saw you in the bathtub soaking with the waterlilies
behind the she'd
Sometimes I ask around, moon

Froggie and Toadie
Carried off the tangerine seats one by one
And came back for the popcorn after dinner
Asking Will you please have some?
Correction
The cold hangar should be upside down
Oh, little star of Bethlehem
Silent invisible conversation
I meet you at the railroad station
Morning, morning, morning
Good morning, Mr. Percy, heres what you say
Don't you eat every time I see you there?
Don't you know I don't care?
Any longer sing the song
Don't you know I'm going along
Flashing time, fix, sane
Mr. Froggie and the Toadie
Carried off the seats one by one

Tangerine, tangerine seats one by one
Oh, little star of Bethlehem
The silent conversation
Don't you know I need some?

Oh, silent conversation, oh no, it's a correction
The cold hangar should be upside down
Up on the moon you really don't need to hang your coat
up
Because you know it's gonna go down
Correction, going up

Gravity man has turned himself around
Sing the same songs, says Up and down
Don't know the words
Oh, little, oh, little star of Bethlehem
Silent invisible conversation
You know you're grand

Froggie, Froggie, Toadie, Toadie
Tangerine seats one by one
After dinner take out the popcorn
Ask you Do you want some?
Oh, little star of Bethlehem
Silent conversation, invisible patience
Don't you know, pop, don't you know, pop
Soda pop is best in the morning
When you don't have nothing to talk about?
Don't you know the lights out?
Can't you move a little higher?

Froggie and Toadie
Carried off the tangerine seats one by one
And came back for the popcorn after dinner
Will you, will you please have some popcorn?
Little star of Bethlehem
Silent invisible conversation
I meet you at the railroad station
I wonder which way today, today
Little star of Bethlehem
Silent invisible conversation
Correction, correction
The cold hangar should be upside down
On the moon, looney tune
Froggie and Toadie
Carried off the tangerine seats one by one
And came back for the popcorn after dinner
Asking Do you want some?
Asking Do you want
Waterlilies in your bathtub
Waterlilies in your bathtub

Waterlilies in your bathtub
Waterlilies in your bathtub
Waterlilies in your bathtub?
Silent invisible conversation
I meet you, meet you
Meet you, meet you, meet you, meet you
Meet you at the railroad station
