Stuck in a world, no longer turning,  
Always the girl waiting for something,  
Too many days, walking around sleeping,  
Open my eyes, I'm tired of dreaming,

(Chorus)

I wanna run with a reckless emotion,  
Find out if love is the size of an ocean,  
Even if i crash down and burn out,  
At least I'm gonna know what its like,  
To feel alive,

Hey yeah, hey yeah yeah yeah yeah

Sun on my face, lights of the city,  
Maybe in love or just learning to be,  
On my two feet, I can only imagine,  
I'll say the words and believe it will happen,

(Chorus)

They think they know me, but how can they know me?  
I'm getting to know myself,  
I'm finally ready to be somebody,  
With a story to tell,

(Chorus)

I wanna feel til my heart breaks right open,  
I wanna blaze like a fire thats glowing,  
Even if I crash down and burn out,  
At least I'm gonna know what its like,  
To feel alive.

Oh, I feel alive,
