Get your motor runnin'
Head out on the highway
Lookin' for adventure
In whatever comes our way

Yeah, God I'm gonna' make it happen
Take the world in a love embrace
Fire all of your guns at once and
Explode into space

Like a true nature's child
We were born, born to be wild
We can climb so high
I never want to die
Born to be wild
Born to be wild
Like a true nature's child
We were born, born to be wild
We can climb so high
I never want to die
