Theresa: Love, I get so lost sometimes
Days pass
And this emptiness fills my heart
When I want to run away
I drive off in my car
But which ever way I go
I come back to the place you are

Jacob: All my instincts
They return
And the grand facade
So soon will burn
Without a noise
Without my pride
I reach out from the inside

Kalan: In your eyes
The light, The heat
I am complete
In your eyes
I see the doorway
To a thousand churches
The resolution
Of all the fruitless searches

All: Oh I see the light, the heat
Oh I wanna be that complete
I wanna touch the light
The heat I see in your eyes

Theresa: Love, I don't like to see so much pain
So much wasted
And this moment keeps slipping away
I get so tired
Working so hard
For our survival
I look to the time with you
To keep me awake and alive

Jacob: Than all my instincts
They return

The grand facade
So soon will burn
Without a noise
And without my pride
I reach out from the inside

All: In your eyes
In your eyes
In your eyes
In your eyes
In your eyes

All: The light the heat
I am complete
I see the doorway
To a thousand churches
The resolution
Of all the fruitless searches
Oh, I see the light and the heat
Oh, I wanna be that complete
I wanna touch the light
The heat I see in your eyes
In your eyes
In your eyes
In your eyes
