Come now Virginia Don't let me wait.
Catholic Girls are much to late.
Nobody told you the price that you'de pay.
For things that you might have done.

You know that only the good die young.
Only the good die young.
You know that only the good die young.
Only the good die young.

You got a nice white dress and a party on your
confirmation.
Whoa,You got a brand new soul and a cross of gold.
But Virginia they didn't give you quite enough
information.
Oh you didn't count on me,You were counting on your
rosary.

Oh oh oh,They say theres a heaven for those who wait.
Some say it's better but I say it aint.
I'de rather laugh with the sinners and cry with the
saints.
But the sinners are much more fun.

Darling only the good die young.
Only the good die young.
You know that only the good die young.
Only the good die young.
