Ground control to Major Tom
Ground control to Major Tom
Take your protein pills and put your helmet on
This is Major Tom to ground control
Stepping through the door
And I'm floating in the most peculiar way
And the stars looks very different today
Ground control to Major Tom
You're circuit's dead, there's something wrong
Can you hear me Major Tom?
Can you hear me Major Tom?
Can you hear....
I'm floating round my tin can
Far above the moon
Planet earth is blue
And there's nothing I can do
