There's a kind of hush
All over the world tonight
All over the world
People hear the sound
Of lovers in love
You know what I mean

Just the two of us
And nobody else in sight
There's nobody else
And i'm feeling good
Just holding you tight

So listen very carefully
Get closer now and you will see
What I mean
No it isn't a dream
The only sound that you would hear
Is when I whisper in your ear
I love You
Forever and Ever

There's a kind of hush
All over the world tonight
All over the world people hear the sound
Of lovers in love
