I am ready for love  
Why are you hiding from me  
I'de quickly give my freedom  
Just to stay in your captivity

I am ready for love  
All of the joy and the pain  
And all the time that it takes  
Just to stay in your good grace

If you give me half a chance  
I'll prove this to you  
I will be patient, kind  
Faithful and true  
To a man who loves music  
A man who loves art  
Respects the spirit world  
And thinks with his heart

I am ready for love  
I am ready for love  
I am ready for love
