What the world needs now
Is love,sweet love
It's the only thing
That there's just to little of

What the world needs now
Is love,sweet love
No not just for some
But for everyone

Lord,we don't need another mountain
There are mountains and hillsides
Enough to Climb
There are oceans
And rivers
Enough to cross
Enough to last
Untill the end of time
Ohh

What the world needs now
is love,sweet love
It's the only thing
That there's just to little of

What the world needs now
Is love,sweet love
No not just for some
Oh but just for every
Every,everyone

Oohhhoo

All you need is love
What the world needs now
Is love,sweet love
What the world needs now
Is love,sweet love
No,not just for some
But for everyone
