I would stay for a week in l.a.
trying to make my dreams come true
and california is on my mind
she was here till the end of may
now that wind is blowing out
and the stars begin to fade away

i think too much about us anyway
iâ€™m looking for you till the end of these days
and now that sunshine mirrors in the lake
i could disappear into pain till i die

yesterday i was planning with you

our future and my cure
we didnâ€™t calculate on time
and iâ€™m always waiting on you
now that wind is blowing out
and the stars begin to fade away

you know iâ€™m so sad
everything iâ€™ve done itâ€™s a nonsense
tonight let me be your man
you know iâ€™m so sad
but everybody needs to look ahead
in this summer end to come
