All day in a train
iÂ'm full of thoughts once again
future has come in my town
between clouds and snowflakes
how many supernovas up in the space?
How many cinderellas walking down from the stairs?

ItÂ's just like a season with december month
everywhere
donÂ't change, go on and donÂ't care about them,
please set me free
nobody could understand you
iÂ'm the only one
iÂ'm your favourite boy

leaving the town looking for you

coming back too soon
thereÂ're many tracks on the field
itÂ's so hard to stay with you
how many supernovas up in the space?
How many cinderellas walking down from the stairs?

ItÂ's just like a season with december month
everywhere
donÂ't change, go on and donÂ't care about them,
please set me free
nobody could understand you
iÂ'm the only one
iÂ'm your favourite boy
