I love to know when you are lonely
I love to know when you are blue
if I can't see that look in your eyes
the look I hope I'd see in you
I hope some day you say you love me
That would mean so much to me
But in the meantime I would make it happen
I'll sing a lovesong to you.

I'll sing a lovesong to you, babe
I'll sing a lovesong to you
Take away the sadness,
and put a smile on your face (yes I do)
I'll sing a lovesong to you.
Oh yeah I'll sing a lovesong to you, babe
I'll sing a lovesong to you
Take away the sadness
and put a smile on your face
Oooohhh I'll sing a lovesong to you

There will never be a moment
when you don't cross my mind
If that all said is really true,
all things in time
but I just, I just keep on hoping,
that some day you would look my way
but in the meantime Oh I'll make you happy
I'll sing a lovesong to you.

I'll sing a lovesong to you, baby
I'll sing a lovesong to you.
Take away your sadness
and put a smile on your face
yes I will
I'll sing a lovesong to you.
Ohhh I'll sing a lovesong to you, baby
mmmm I'll sing a lovesong to you
well I'll take away your sadness
and put a smile on your face
Oh I'll sing a lovesong to you
(Ohh. instrumental.)

nanananananananananananananana
Oh yes I will
I just sing a lovesong to you
Oh I just sing Oh yeah...
