Many times I've tried to tell you  
Many times I've cried alone  
Always I'm surprised how well you  
Cut my feelings to the bone

Don't want to leave you really  
I've invested too much time  
To give you up that easy  
To the doubts that complicate your mind

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen  
under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

We belong

Maybe it's a sign of the weakness  
When I don't know what to say  
Maybe I just wouldn't know  
What to do with my strength anyway

Have we become a habit?  
Do we distort the facts?  
Now there's no looking forward  
Now there's no turning back  
When you say

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen  
under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen  
under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

We belong, belong, belong
